The pavilion is of the French Rengissance style of architecture, with walls of brick and terra cotta trimmings.

The principal construction materials of the stands are wood and reinforced concrete, wood having been used only where absolutely necessary.

50,000 Can See Game.

The new grounds has a larger seating capacity than any other in the country. There are 5.500 chairs in the lower pavilion and 4,500 in the upper, making 10,000 seats in all. The bleachers, making an allowance of 18 inches to a person, seat 13,000, making a total senting capacity of 23,000. But, according to the architects, it is possible for 50,000 persons to witness games on the new grounds.

"Shibe Park," as this new baseball field has been named, is ready for use two full seasons before the expiration of the lease on the grounds at Thirtieth and Oxford street, which were secured on a ten year lease when the American league expanded into National league territory. How success the property has been in roll by this ful the venture has been is told by this new \$500,000 plant. At that it required good nerve to put so much money into permanent fixtures, and Benjamin F. Tuckey May Coach Yale Twirlers. Capt, Fred Murphy is negotiating with Tom Tuckey, the Eoston National league pitcher, who may be engaged to coach the Yale pitchers.

Tad Jones, captain of the Yale nine last year, notified Captain Murphy yesterday that he will be on hand on March 1 and will spend practically all the spring with the squad in the ca-pacity of head coach. UNCERTAIN PRICE MOVEMENT

Continues to Be a Feature of the Stock

Market.

New York, Jan. 14 .- The mixed and

uncertain price inovement in today's stock market was much the same as for several days part, but the marked subsidence of activity was a distinguishing feature. The current dulness in the speculation finds its true explanation in the doubts felt over the industrial and business outlook and in

the height to which previous specula-tion had pushed prices. The proper-tion of demonstrated truth in the num-

As an additional attraction a 20 round event has been arranged tween Jimmy Walsh of Boston, American champion bantamweight, and "Digger" Stanley, who holds the title in England. Stanley had the best of ne battle with Walsh in England, bu the American put the gloves all over the Englishman in a return match in Boston about a year ago.

Local sports who follow the ring game will be attracted to Baltic to-night for the athletic tournament to be given at the Dime theater. On the list of events is a 6-round go with the gloves between Kid Carter of Jewett City and Miner of Prov-idence, a four-round clash between Young O'Brien of the West Side and Kid Smith of Greeneville, and two wrestlers from Baltic will get together on the mat Another event that will fill the house
